PREFACE

"Then the Lord said to Moses, "Make a fiery serpent, and set it on a pole; and it shall be that everyone who is bitten, when he looks at it, shall live" (Numbers 21:8)

Every problem/challenge in life has a solution. The real problem is not what you suffer from. The real problem is your inability to know the right thing to do to solve the problem.

On a particular day, the Lord spoke to me saying, "It is not bad that you suffered; that you stayed many days without food. What is bad is that you didn't know what to do".

In 2005, I had a strange condition. My heart would suddenly stop beating. And each time this happened, I would weakly say: 'blood of Jesus', about two or three times. Immediately after that, a still voice would speak inside me saying, 'If you do not receive divine healing, you will die'. This warning was repeated about twice. And after this, my heart beat would be restored instantly as if it received life from the still voice.

After the second occurrence of this incident, I went for a medical test. Consequently, I was treated of typhoid fever and malaria. About two weeks after that treatment, it

occurred the third time. The heart beat stop abruptly the same way, I feebly invoked the power in the blood of Jesus and the still voice gave the same warning. This time I believed I would actually die if I failed to seek divine help. So I made up my mind to pray and fast. But because I had taken my breakfast already, I settled to start the fasting and prayer the next day.

In the night of that very day, I saw in a dream the fiery serpent which Moses made and put on a pole as God instructed him (Numbers 21:8). I caught the revelation knowledge that it was for my healing; that God has released the power for me to live which has cancelled the death hovering over my life. So I claimed and declared my healing instantly. It's been seventeen (17) years now and that sudden heart attack has never occurred again. So I was healed even before I started the prayer and fasting. Catching the revelation knowledge of the word of God and applying them daily in our lives is the key to solving every kind of trouble or challenge we find ourselves in.

This work is a compilation of some of the revelation knowledge I received over a period of seventeen (17) years since the healing of that heart disorder. They came out of the sheer grace of God, as I remained in prayers and reflections to understand and follow the will of God for me. Their application has continued to take me out of numerous challenges/troubles and ushered in great

opportunities. The work of God is for the good of all. If need be, this work can as well transform your life greatly when by grace you are able grab the same or even deeper revelation knowledge and apply them. At the core of this writing is the sacrifice of the Lamb of God; the most vivid demonstration of the love of God for all humanity.

I encourage you to reflect as you read. You gain much understanding when you reflect. It is guaranteed that you will have testimonies of how you overcame many challenges/troubles in life by applying the knowledge you will gain from this work. You shall have new reasons to declare afresh, *'...I am not ashamed of the gospel of Christ for it is God's power to salvation...'* (Romans 1:16). What is salvation if not freedom from all troubles; troubles in this life and in the life to come? The light of His knowledge that shines daily on your path is what dissipates all forms of darkness/troubles in your life.

1. JESUS, THE LIGHT OF THE WORLD

"In him was life, and the life was the light of men. And the light shines in the darkness, and darkness did not comprehend it" (John 1:4-5)

Jesus is the light. He shines in you that the world may notice you. Seek the impartation of His Spirit always on everything you do. His gifts are free that He may be glorified. He who glorifies Him always receives more. And more shall his portion always be if he does not set his mind off Jesus. For, steadily the light will glow or shine in him.

A steady glow leaves a permanent impression on the world. A steady glow magnifies the effects. His glory is your glory. Take away His glory and be in darkness. Darkness is the heritage of sinful souls. While light is that of the righteous.

Holiness is the beauty of God's house. So always desire and seek holiness. For without it you are ugly. And God's sight does not entertain ugliness. Whenever He looks at anything ugly, He burns with anger. The more He beholds that, the more destruction it gets.

God made the heavens and the earth to His own glory. His glory is your own glory. So keep the earth holy that your glory may multiply. He rewards each according to his deeds. For those who love Him and do His will, their reward is great in heaven. Heaven is a place of bliss, a place of perpetual bliss prepared for those who do His will. God's will for you is holiness. Sorrow, darkness will be the lot of those who fail to do His will.

Jesus loves souls so much that He shed His blood on the cross that we all may live. He who rejects His blood rejects life. Life, He has said, consists in the Spirit. So always guide your soul against the whims of the enemy, the devil.

The devil is a master of deception. Except a soul relies solely on Jesus, on His Spirit, he will fall to the devil. The devil is darkness. Jesus is light. He exposes darkness. His Spirit teaches you everything. Be rich in the Spirit always. And you would be free from all evils, because the devil is the master of all evils. If Jesus is with you, the devil cannot be with you. For His holiness is your holiness. Be holy as He is holy.

• • •

Jesus is Light. Once He is present in someone's life or any situation, all forms of darkness vanishes. There is clarity and joy among men who experience Him. Jesus is light. He is the Light of the world. His glow is bright, very bright that even a pin is easily seen. Nothing is ever hidden.

In the affairs of men, there is darkness when Jesus is not glowing. Sin alone puts off the light. Nothing else can. And once the light is off, men grope from one corner to the other in confusion and fear, quarrel and bitterness. They lack joy.

The joy of the Lord is peace. The joy of the crucified Jesus is that everything is yes and amen in and through Jesus. Seek His presence through any other means or way, you will never find peace. Jesus is your peace.

Jesus is the word. The word is the light unto your path. The path to heaven is one; He is Jesus. The light on this path is one; He is Jesus. Seek Jesus alone, that you may never grope, that your joy may be complete.

Holy, holy, holy is our Lord Jesus Christ; the power of His Light fills the whole earth. The world without the light of Jesus is in darkness. There is a lot of darkness in the world today. Pray for the world to have the light

of Jesus. It is plunging into destruction. The younger generation is groping for light. The old generation is claiming to have light. But their light is mere human wisdom. Light for the world is nothing human. It is divine. Pray that the world may see light. Jesus is the Light. Bring the world before Him always and He will give them light.

Come to Him that you may see well and be happy. In Him there is no groping; there is certainty. Is there anything as good as to be certain about your life—temporal and everlasting? In Jesus, your joy is complete. Seek Jesus always that He may light up your life; that He may be the light shining in your life; that the world may see your glory. Take Him out of your life and your life will all be darkness. He is your light. He is your life.

As He shines, He radiates His glory in you and through you to the world. His whole being is the source of His own light. So when He shines in you, the source of your light will be obvious to the world. The world will look unto you for you have what they lack, what is good for them.

Seek light and be their guide in whatever you are doing, no matter how little that may be. For Jesus can turn a

drop of water into an ocean. When He comes into you, He uses you to touch the world. The world will see you. The world will feel you. You become a source of life to so many. Because you are living; the Living God has made His home in you.

I Am the I Am is your God. Worship Him that He may glow in you. His light that shines in you takes away all forms of darkness from you. Evil will never be your portion for He is with you. Bear this always in your mind. Do not entertain doubt. Trust in God's power which is almighty and all-suffusing. God is everywhere and everywhere you go, He is with you. Nothing shall ever harm you. The Lord is your God.

2. THE PASSION OF CHRIST

"He is despised and rejected by men. A man of sorrows and acquainted with grief. And we hid, as it were, our faces from Him; He was despised, and we did not esteem Him. Surely He has borne our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by God, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him. And by His stripes we are healed" (Isaiah 53:3-5).

Passion of Christ is easily understood by a look at His plight. He suffered for what He did not do. He suffered for the sins we committed. He bore the pain for each and every wrong step we took. He was careful not to disappoint God and man. He was only counting on God for His strength. Indeed His strength came from the God who made heaven and earth.

Passion is Christ's undoing of our lives. In other words, He suffered for us to live. Imagine a life without the love of God. Hatred and death would have consumed the world more than fire. To stay out of trouble means to appreciate His passion, His sufferings that we may have life. His passion is your life. Without His passion

you are dead. He died that all souls may live. Any soul that does not appreciate His passion is dead. Life comes to you when you start appreciating His passion.

You have the opportunity to live because Jesus lives. Living means that Jesus is active in your life. Being active in your life, means that you appreciate His passion/suffering. It means that you love Him. It means that you keep His commandments. It means that you are suffering for the Lord your God. For, to suffer for God means to make effort to remain in His love.

• • •

Christ knew it was the hour for Him to die. He did not panic or run away or build defence against such. He set His mind on God. He was obedient to the will of God. He expected His passion, death, resurrection and glorification. He was not scared by the horrors of His passion as to hide from public view. He rather in simplicity and humility had the fear of God, desired the will of God and not His to happen. He was not arrogant and full of self-worth, despite the fact that His Father who is in Heaven is almighty and capable of rescuing Him. He was obedient to death, Amen.

Everything Jesus did showed single-mindedness in purpose. He was controlled by the passion to do the will of God. His thought was always about God, God in relation to man, and Himself that came between God and man. He was aware God has no other person except Him. He allowed nothing to influence Him except the will of God. He always did what pleased the Father.

• • •

By death Jesus conquered death. So death is no more for those who believe. For those who don't believe in Him, death still exists. And they shall be destroyed by their own deeds.

Death is not the decay of the flesh but the mastery of evil over human soul. The sacrifice of His body became the turning point in the history or life of man. Now evils no longer master the soul. Rather the soul masters evil and lives solely for God.

The power in His blood mastered evil and destroyed it. For those who believe, the power in His blood is their lives. Nothing has ever mastered and conquered evil except His blood. And nothing will ever do so. By His blood you are healed to the glory of God the Father, Amen.

Holy, holy, holy is the Lord Jesus Christ. The power in His blood fills the whole earth. The power in His blood fills your life. The power in His blood is your life. Your death comes easily when you forget this; sin gains dominion over you when you forget the power in His blood.

The power in His blood does not end at cleansing you. The power in His blood is everything in your life. It is your whole life. So be covered by the blood of Jesus always. For a fish out of water cannot survive. You can't live without the power in His blood.

Living does not consist in breathing. To live means that Jesus has made His home in you. Making His home in you means that He is very operational in your life. Your life is precious and has been saved for the sake of His holy name. Work assiduously. His grace is with you. His peace be with you.

Peace is the very nature of life. For where God is, there is peace. And peace can never exist without your God being actively present. Jesus is active in your life; you are alive. His peace shall forever be with you. Amen.

• • •

The death of Jesus Christ means life. Jesus did not die. He lives forever, for in God there is no death. And for all those who believe, those who are constantly in His presence, all things have been put under His feet; all evils have been crushed by the blood of Jesus. His peace be with all those who believe, Amen.

The passion of Christ is the end of all troubles. He died that you might have eternal life. And eternal life is the knowledge of God. Who has ever known God that is in trouble?

Your problem is stiff-neckedness. You make a lot of arguments and not preach the word of God. When Jesus died on the Cross, He changed the work of the priests. He made it much easier. His blood says it all, for the blood He shed is the gospel. The good news is that He bought life for us with His blood.

What do you need if not life? Why shift attention from what will give life, His passion, death and resurrection, to arguments----quoting philosophers and all manners of blind scholars here and there? Is argument God's power to salvation to those who believe? Is gospel alone not the power of God to salvation to those who believe?

Why are the priests of God ashamed of the gospel? Was it the case with Jesus? He was not ashamed of dying that humanity may live. Your life is in the blood of Jesus. Your peace is in the blood of Jesus. What do you need if not life? What do you need in life if not the peace of the Lord?

The peace of the Lord is your salvation from all troubles. It is not philosophy or any of those foolish human learnings. In matters of salvation, almost all human learning are foolish. They came by human senses and imagination. But salvation is something spiritual, for it is only the Spirit who can give life. Your senses and imagination have nothing to add.

The Spirit of God becomes active in your life by having faith in Him. Without faith you can't please God, remember. Faith is what you need to worship God and not arguments. And faith must be on nothing but the word of God. Jesus is the Word of God. He is the Word made flesh for the salvation of souls. To those who believe in Him, God has given the power to become the children of God.

Did Jesus teach any philosophy or any of those human learnings? Did He engage in any arguments with

anybody? Was He arrogant and self-willed? From where did you get all those corruptions? You are corrupt because you do the will of your father the devil! There is no corruption in the gospel. There is only life. Believe in the gospel alone. Preach only the gospel. Let the peace of Christ be with those who believe, Amen.

• • •

Peace is the very essence of life. Life without peace is nothing. Your peace is in nowhere but the blood of Jesus. You have known this secret. Make maximal use of it. Think of it as more important than the air you breathe. Of course air serves for the body. But the blood of Jesus is the only 'air' your spirit can breathe in and/or out. You see how deadly it is when you don't immerse yourself in His blood always.

Jesus has bought you free from all evils. Get to understand fully the value of His blood. It is priceless! It is even greater than your lives. For you can't live without it. Life consists in the Spirit, always remember this.

When you are with the Lord, there are no more troubles. Because the Lord your God is the God of peace. Peace means the absence of troubles, both

physical and spiritual troubles. Strive to have peace always. Your peace I have said is in the blood of Jesus.

3. MEANING OF CHRISTIANITY

"But you are not of the flesh but in the Spirit, if indeed the Spirit of God dwells in you. Now if anyone does not have the Spirit of Christ. He is not His" ... "For as many as are led by the Spirit of God, these are sons of God" (Romans 8:9,14).

With the gifts of visions and Spirit of tongues, you are not yet fully His child. In other words, despite your gifts, if you have any fault with Him dwelling in you, you are not truly His child. So, how the temple started and He did not complete it should not be surprising to you.

Eligibility to be part of the body of Christ is the active presence of the Holy Spirit in your life. His body is holy. And you can't be part of His body if you are not holy.

His holiness is your holiness. Desire and seek holiness. Do and delight in His will for you, for this alone will make the Holy Spirit who dwells in you to be active in your life. Confer the words of Christ in the Holy Scriptures. His peace be with you.

Without the Holy Spirit being active in your life, you can't claim to be a Christian. Christianity means the active presence of the Holy Spirit in people's lives. Christianity means that Christ is alive in your life.

Do not deceive yourself by shouting the name of the Lord when His love does not abide in you. In His will, in the New Testament is articulated His love for humanity. It is only those who abide by the terms of the New Testament that His love abides with. If you love the Lord, you must keep His commandment, and your Father in heaven will love you and manifest Himself in your life.

Life consists in the Spirit, always remember. It is the Spirit that gives life. If the Spirit is not active in you, you are dead. Strive to be alive. Doing His will is what it means to live in the Lord. Do the will of God and you will become truly His child. And His peace will be with you forever and ever to the glory of your Father in heaven, who has loved you all the time. His peace be with those who believe.

• • •

Virtuous life is not holiness in the sight of God. Holiness can never contradict the word of God. The

word of God is always there as a reference point. It should serve as a mirror through which every action can be seen. Everything the mirror cannot show is evil. The words of God are concrete. They are not metaphysical. His words must be seen in people's lives, every of their deeds.

Doing good things does not mean doing the will of God. The devil can do good things also to you. The word of God should always pull off this veil of good the devil uses to mask evil. God's emphasis has never been on virtues as most religious bodies hap on. His concern has always been with doing His will. Do His will! His will is the foundation on which every virtue is built. Any virtue that does not have His word as the foundation is satanic and quite self-destructive. Be just what God has made you: a faithful soul.

The teachings of men cannot make you faithful, cannot make you holy. It is only the Spirit of God who can. His Spirit ALONE leads you to Him. Confer His words in the Holy Scriptures. His Spirit is your Helper. It is not the gamut of religious books. The Holy Spirit makes you feel dry when you read books that are destructive to your soul, even though they may be quoting the word of God.

God appoints those who preach and teach His word. Anyone who preaches or teaches His words without unction will never win souls to Christ. It is not the words spoken or written that wins souls to Him. It is His Spirit that moves with those spoken or written words.

Be wise. Always be in union with the Holy Spirit; fellowship with Him alone. He alone can lead you to God. No man can, except the Spirit uses him. The Lord is Spirit. The Lord is your God. Worship Him and your peace will have no end. He will reign in you and you will reign with Him, to the glory of your Father who is in Heaven forever and ever, Amen. His peace be with you.

• • •

The sins of the fathers are punishment to the children for centuries except the children repent. But today little is ready to seek the face of God. Rather most indulge in fruitless efforts.

Know that the Lord is your God. And you can't find Him by running about from one place to another. Let everyone be at a place. The Lord is at every place. What

you need to do only is to do His will. Then you will encounter the Lord your God.

You have given the devil your soul when you fail to do the will of God. The fear of the Lord is the beginning of wisdom. Wisdom does not consist in human senses and imagination. Wisdom means doing the will of God. Human wisdom can only put fears in you. And fears either make you foolish or aggressive. To be foolish means to be aggressive with your God. To be wise means to be at peace with your God. Be wise; do the will of God and the peace of Christ will reign in your life.

Peace I have said is the essence of living. Without the peace of Christ, you are dead. Desire nothing in life but the peace of God. Seek nothing in life but His peace. In His peace is everything you need. The peace of God is in the blood of Jesus. Immerse yourself always in His blood.

• • •

Nakedness is the ruins of the people of God. Jesus has clothed everyone with His blood. But people discard this clothe of eternal life in obedience to fleshly desires. There is no way you can serve your flesh and still be

clothed with the love of God; the blood of Jesus. And you can only have access to His blood, His love for all humanity when you serve not the fleshly desires but your God.

Serving the Lord is not living a virtuous life. Serving the Lord is not running around for one activity or the other that you describe as a way to worship the Lord. Serving the Lord means doing His will all the time, everywhere and in everything. Serving the Lord means worshiping Him. You worship the devil and not Jesus when your life, every moment, does not conform to the will of God. And His will for you is the New Testament which Jesus enacted for us and sealed with His blood when He was on earth.

Nobody should tamper with the tenets of the New Testament. The Holy Spirit alone teaches you the will of God as it is contained in the New Testament. No human being has the right or inspiration from the Spirit to alter the New Testament. Anyone who alters it must die. Anyone who follows the altered version must die. You are dead already by following any false doctrine.

God does not entertain the partial keeping of His commandments. Therefore beware of all the satanic doctrines in the churches. Strive to be alive again, for

you will live again when you come to believe solely on the word of God. Discard all satanic revelations that have been plunging souls into destruction. Anything that negates the will of God, what He has said is evil, satanic. You have known the truth. Let the Truth abide with you and set you free from all troubles, amen.

• • •

Simplicity and humility is the foundation stone which every child of God must lay by himself. His grace is available and enough for all those who believe. For it is never by might or power but by the Spirit of Truth that you serve the Lord effectively.

Serving the Lord does not entail running around for one religious function to another, from one place to the other. Serving the Lord entails doing His will all the time, everywhere and in everything.

So people should stop deceiving themselves by believing that holding several posts and/or belonging to several pious societies, some of which are satanic, makes them serve the Lord. It is good to be involved in communal efforts but without adhering strictly to the terms of the New Testament, you will end up in hell

fire. So repent now and serve your God in spirit and in truth.

Everybody has been called to serve God. And everybody can serve God by doing the will of God all the time, everywhere he is and in everything he does. The peace of Christ be with all those who believe.

• • •

The three persons in one God are there for operations. They are not beings. There is only one Being, one God. God the Father is the creator and maker of all things. God the son is the person in and through whom all things were made, including your salvation. There is nothing that was made that was made without Him. God the Holy Spirit is the power that brings every of the will of God the Father into being or effect. So as people even pray, they must bear this in mind. People must acknowledge the three persons in one God all the time with their respective operations for them to reap the full benefit of their sonship. Do not alter the will of God . Your faith must be on God's very words, what He has revealed to you and not on any human learning.

• • •

God has promised of His continual stay in your life. He dwells in you. He uses you. He teaches the world His omnipotence using you, because He has anointed you richly. You are His own machine. He operates you by Himself. He is the Blessed Trinity: God the Father, God the Son, God the Holy Spirit, who made everything. He is everything. Everything is in Him including the knowledge of your God.

You will know God as He keeps on manifesting Himself in your life. That is the only way you can know God. Therefore be constant in serving Him. His wealth is your wealth. He is your wealth. There is nothing you will ever lack including the knowledge of God.

Your God is one and is everywhere too. He is incomprehensible because He is eternal. Everything about Him has no end. You see why it will be difficult for any created being to know God completely? Be satisfied with the much you know about your God at any point in time. Pray that God will forever open your understanding. That is very necessary. You are forever his child. Don't forget.

Knowledge of God is not the knowledge of the world. You shall forever learn about God as you keep being

constant in His presence. His presence is where you are now because you do what pleases the Lord. Therefore the Lord shall forever teach you everything in heaven and on earth. His peace be with you.

• • •

Holiness is the beauty of God's house. To be holy, you must TRUST in His power, have FAITH in His ability to perform and HOPE in Him as the only resource you will ever have. You must be KIND to others, full of LOVE in whatever you do and quite PATIENT in your relationship with God.

He is your God. He acts according to His own will. His will for everybody is full of love, mercy and goodness. Those are Him for you. So trust in Him, His love, mercy and goodness. He is kind, faithful and just. Imitate Him and no one else. His peace be with you.

Divine wisdom is doing what God says. Do His will! Beyond everything He demands of you is a great wealth the human mind cannot comprehend. Because those wealth are highly spiritual and they are life. Remember, life consists in the Spirit. Be meticulous in doing His will. That will lead you to perfection in the practice of divine wisdom. Be at peace child of God.

• • •

"Do not let your adornment be merely outward--arranging the hair, wearing gold or putting on fine apparel. Rather let it be the hidden person of the heart, with the incorruptible beauty of a gentle and quiet spirit which is very precious in the sight of God" (1 Peter 1:3)

God made everything. He did not make anything bad or evil. He made the clothes that you will cover your bodies with them. He did not make them so that you will use them in exposing your bodies or features in the ways that please you.

When you please yourself, you are pleasing the devil. Please your God so that His peace will abide with you. Your Lord and God abhors indecent, shabby dressing. It is abominable unto Him. He is everywhere. He is holy. He does not entertain any unholy sight. Shield yourself from His anger by dressing properly. Do not become easily a tool in the hands of the devil and his agents, the so-called designers of such clothes.

Nothing is fashionable except the will of your God. Nothing is beautiful except the holiness of God. His holiness is your own holiness. Do His will and gain

your holiness. Then see how beautiful and fashionable you are.

Wear no clothes. I mean spiritually. The holiness of God alone should cover you. Cover your body but do not let clothes preoccupy your mind. For whatever that preoccupies your mind covers your spirit. If God's holiness preoccupies your mind, you will definitely be covered by His holiness. Holiness is your beauty and not clothes. Holiness is your treasure and not clothes. For where your treasure is, there your mind will be. Be rich in the Spirit of God.

• • •

The evil you have in mind when wearing certain clothes makes the act evil and not the clothes themselves. However the Holy Spirit inspires you not to wear such, even when you don't have evil in mind, when such clothes can lead others to sin.

Those who dress indecently spitefully believe in God. Nevertheless, do not enforce the laws of Yahweh by condemning or approving of people's dresses. Pray rather for those who dress shabbily. Bring everything before God with all joy.

Your mirror is the word of God. Look on it always and see how beautiful you look. God even beautifies you more in measures you can't comprehend when you adhere to His words. He loves you from the bottom of His heart. Just do His will and worry about nothing. For there is nothing you shall lack. His peace be with you.

4. FELLOWSHIP WITH GOD

"If you abide in Me and my words abide in you, you will ask what you desire, and it shall be done for you". John 15:7

If you are not disciplined, how can you take to your prayer life? Take discipline seriously. See how disciplined Christ was in the garden of Gethsemane as regards prayers. Always focus on and rely upon God---- His holiness, His power, and then on your ability to obtain mercy which entails His willingness to be merciful always.

The glory of Yahweh fills the heaven and the earth; your life inclusive. Have faith that He alone can affect your life. Do not give much thought to the power of the devil; remove fear. In other words, God's power is all-suffusing. The power of God around you, His glory that fills the whole earth, is enough to trigger you into prayer. That is, prayer of thanksgiving. You must not pray only when you have problems.

Prayer is a communion or fellowship with God. God is always waiting; He is always watching over His words to perform them.

First, learn ejaculatory prayers to express the majesty of God you witness around you. This should be able to fill you with joy. If not, it is not from the bottom of your heart. This joy registers on your face. The carnally-minded will never understand such a smile. The carnally-minded will also miss the life that such a smile gives.

This smile is very affective, transferable and understandable to the spiritually-minded. He shares instantly in the life, the grace that such ejaculatory prayers draw from God. Because he either concurs to the ejaculatory prayer he heard or felt with that same awareness or attuneness. Or he says or feels it with deeper understanding.

In whichever case, joy, grace, life and love flow down from the Almighty Father to His creature, His most cherished creature on earth. The glory of God that fills the whole earth goes mostly to man, serves for the benefit of man and to the glory of God.

The ejaculatory prayers when repeated with ever increasing awe translates to prayer of adoration or worship. The person is immersed in the consciousness

of the glory of God which fills the heavens, the earth and his life.

This exercise leads the person to submit totally to the power of God, to abandon one's will and seek God's will in one's life. The Spirit of God is richly at work at this juncture. Here one may abandon the planned petitions he has in mind. He may modify them according to the silent dictates of the Spirit. The Holy Spirit leads now in the intercession.

It takes discipline at prayer life for one who prays to understand this. One who is disciplined at his prayer soon gets to understand that the petitions he always had in mind before prayers were always dropped or abandoned. This rather gives him joy than worries him. Because at the end of each prayer exercise he feels quite fulfilled. He gets to understand that that was the will of God for him. He understands without any human agent telling him that he abandons his will quite unconsciously for the will of God.

More joy and trust grow from here. He grows intensely joyful at the realization that that was a divine direction. This trust in God leads him to desire more and more of God's will in his life. This desire is seen in his habit of praying always, especially prayer of adoration or

worship. It is also seen in his life as his perspective on issues and happenings changes.

He now considers the power of God in all things. His mentality changes soon from the idea that it is not everything that prayer can solve. Now he thinks he can do all things in Christ who strengthens him. Now his belief can never be divorced from 'with God all things are possible'. Because it was in and through Christ that all things were made. Because the glory of God fills the whole earth.

The faith of this man grows stronger and stronger. He begins to see the manifestation of God's answer to his prayers in his life. This time he receives because he does not pray amiss. He has the Holy Spirit, the Counsellor, Teacher, Helper, Comforter, Intercessor, leading him. The Holy Spirit knows the will of God the Father for him. He keeps one who has trust and faith in Him within the bounds of the will of God.

The person at this stage knows that the glory of Yahweh fills the whole earth. He confesses that the glory of God fills his life. He testifies to the Lord's goodness to him. He testifies to the Lord's faithfulness. There is no more doubt in him about the reality of God in the affairs of man. To the carnally-minded, he will

never be able to express his feelings because words cannot quantify the goodness of the Lord. His knowledge has been brought about not by any cognitive process humanly possible, but through the power of the Holy Ghost.

Through the leading of the Holy Spirit again, one starts desiring not material things. His mind is now on how to attain holiness. Because he knows that when he is in a state of constant holiness, constant union with God, that he is first and foremost at peace, that he has the peace of Christ which the world cannot give. He knows that whatever God the Father has willed for him will surely be his and at God's own time for that matter. He learns through the counsel of the Holy Spirit that the utmost good for man is to serve God with all his heart, soul, mind and body; with all the gifts God has given him.

In a state of constant holiness, the devil, evil spirits/demons, all occult powers will be rendered inactive in his life. Because he is filled with the glory of Yahweh Sabaoth. And the Holy Ghost power cannot and will never condone any force from the kingdom of darkness.

In a state of constant holiness, he will flourish truly like the palm tree that has been planted in the courts of our

God. In a state of constant holiness, he will be a light to all nations; a true image, ambassador of Christ. In a state of constant holiness, he will be exposed to divine healings and daily miracles, besides the ones that we humans take for granted like life, health, food, sun, air etc. Because for him, all God's promises will truly be 'yes and amen' in Christ Jesus.

Love is in place in your life. So manifest the love of God in its entirety to the whole world. Do not hope that anybody will be punished. Rather hope that all may be pardoned and saved.

You have power over all forms of crisis both physical and spiritual, because they are evil. You have authority and power over all evils. God detests every form of evil. Do not condone any. Jesus is the Saviour of all souls. He uses you. You are a harvest instrument in His hands.

Pray for all souls the way you have never done before. Immerse them in the infinite mercy of God. He is the Lord of all the earth, full of mercy, love and compassion for all flesh. He desires the salvation of all souls. He didn't create any with the intention to destroy.

God loves all souls equally and desires that all be with Him in heaven. Pray hard for souls, harder than you have ever thought would be possible. God is rich in mercy, slow to anger and full of faithful love. Glorify your Lord.

God is with you all the time. He hears your voice because you hear His. He hears your voice no matter how faint it may be, wherever you are. Just be His instrument and His words will come to pass in your life. You have been favored by the Most High God. And His favors are limitless. Praise the living God who has made His home in you both now and forever more, amen.

Do not relent in praying for every member of your family. Jesus shall grant all His peace for the glory of His holy name. You cannot work truly for God and still suffer that fate: seeing one of you end up in hell fire. Jesus is not wicked. He is love. He is your life.

Pray for the princes too. God made your rulers. He made all souls. Pray for all souls. His peace is with you. Jesus is coming soon. He desires most seriously the conversion of souls. He does not want to lose any of those Him and the Father have prepared a home for in heaven. He has given you the great commission. He has

made you a pillar of fire. He dwells in you. He uses you to guide His people into His kingdom.

Your actions are His actions. He does everything by Himself. Be just His. Confess your sins always and be pardoned. Do His will always. Seek His grace always. And He will always be with you; be active in your life. He dwells in you. He is with you. You shall never want.

There are some who need peace but can't find it. False teachings have left them with mourning. They weep a lot. But they do not know how to worship the Lord. Break their bondages. Break all bondages. You are a wall of fire; a pillar of fire. God uses you. Do not forget for once what you are. Always operate from the level where God has placed you, for that is faith, without which you can't please God.

Pray unceasingly for the repentance, conversion and salvation of souls. There is nothing the power in the blood of Jesus cannot achieve for you because you have come to believe. Have faith that all souls can be saved. Pray always for the grace of God to fill the hearts of all people. The power in His blood pierces all hearts and fills them with the grace for repentance, conversion and salvation. Jesus is the giver of grace. He is the Saviour of all souls.

The peace of God flows like a river to and on those who believe. The fountain of His peace is upon you. His blessing upon you flows unto others. Think always of attracting the mercy of God for sinners. By His love poured upon you, the whole world will be able to be saved except those who do not believe. The primary gift of the Lord your God to all humanity is love. Pray for His love to adequately cover all. Holy, holy, holy is the Lord your God for all ages. Holiness means His love covers you.

Heal as the Lord heals. He has no limit to His healing. And He heals all the time. Learn to forgive and to build up individuals at a very fast rate. Great grace awaits you. You are of the father and of the Son and of the Holy Spirit, amen.

At the center of it all is your God---the healing of every soul. Therefore concentrate on worshiping Him. He can't heal if you fail to do so. Your worship will evoke His instant passion and action. Just understand that. Pray always for recalcitrant souls. God heals them with your prayers too. He can heal all things. Bring all cases to Him. He heals to the glory of His holy name.

Your election to the throne of glory means that you are with Christ all the time till eternity. And since Christ reigns in heaven and on earth, you reign too with Him, this time on earth for you are still human. The period of mighty works of God which you witness in visions, mostly as you pray, is a classic example of what it means to reign with Christ. You are feared in all the earth more than the earthly kings. God's power is your power. And His power is almighty. You see why you are feared. Always exercise the power of God in accordance with His holy will. He will forever dictate when, how and where to exercise the powers He has given you. Your duty is to worship Him all the time, everywhere and in everything.

Sinners need your anointing like famished men need water and food. Your well of anointing is infinite. It has been dug in the Holy Spirit. Cleanse souls all the time for that is your major work. Destroy all evils too. You have authority and power over all evils. Uproot trees not planted by your father in heaven. He is your healer. He is the healer. He heals through you.

Your Father in heaven heals when He wishes. Do not bother about healing people. Jesus is already bothered with their plights. Just cleanse them always that Jesus

may heal them. He is holy. He does not entertain evil. His peace be with you.

5. THE POWER IN REFLECTIONS

"This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success" (Joshua 1:8).

Your Bible is good to the extent of you remembering what you have read. Read and reflect. Don't rush your reading. The Holy Spirit is always there to give you insight. Read a few chapters at a time and then reflect. Only by so doing can the scripture nourish your life. Take notes sparingly. The Holy Spirit inspires you when need be to write. Your writings are His thoughts. So be very meticulous in all you do in order not to get negative influence. That was the problem of your leaders at times. Jesus is Light. The Light alone must be seen in all you do. That makes you a perfect instrument. Always study the word of God for He is with you. His peace be with you.

Meditation should not be only in the mornings or evenings. Meditate as often as possible in a day, irrespective of wherever you may be. With God all things are possible. Rely on His powers, for without

Him you can do nothing. He is your Rock, your Foundation and your Life. Live in Him and live forever.

Pull away from evil influences. Do not stay to listen or witness such. They pull you down. Run away but to Jesus, Him alone. You will have life abundantly. He desires to be with you, to enlighten you. Be with Him always.

• • •

Adoration is having awe for the Lord your God as you worship Him. Strive to be filled with awe at the beauties , the wonders of the Lord your God. Take time to reflect about His omnipotence, about everything that He created which you see around you. Through such reflections, your knowledge about God increases, your grace increases, your life increases. For eternal life is the knowledge God.

The power of God is in everything He created. So, do not abuse anything around you, even the tiniest grain of sand. Rather use everything in accordance with your needs bearing the will of God in mind. God created all things with a purpose. No grain of sand for instance was made by mistake. So as you abuse anything He created, you are abusing the Lord your God. You must worship

Him all the time, everywhere you are and in everything you do. It is only then that you will be truly God's beloved. His grace is enough for you, Amen.

• • •

The peace of the Lord is eternal. In His peace is everything you need. So always immerse yourself in His blood for in it is your peace. Meditate always on the passion of Christ for His death means life. The blood of Jesus is your life, now and forever, amen. Reflect too on God's powers, for his powers are your powers.

The power in reflections heals the world. It is the power in His blood. It is the power that can only be found in His blood. It is the power one can harness only when one is soaked in His blood. Have your mind completely engrossed by the glory of God, for his glory is your own glory.

• • •

Studies do not only mean reading. Reflections are part of studies. Your studies like every other thing you do should be viewed from the spiritual perspective. You are Spirit because you have been born of the Spirit. And

God is the only Spirit. Therefore your studies should be to know God more. Through reflections more revelations come to you than when you read the scriptures. But reflections here must be on nothing but the very words of God.

Reflect often as you can. The life in you will tremendously increase within a few days because of your reflections. What matters is not the number of chapters of the Holy scriptures read at a stretch. But the reflections that you have after a few chapters or paragraphs. Reflect always. Meditate always. Here lies your success. For in reflections/meditations the Spirit of God becomes more available to you in measures unimaginable.

Faith is good only when it is based on the word of God. Be careful so that your reflections do not deviate from God's intentions in the very words he expressed, as it does at times. Your senses and imagination as in the case of faith must not inform what you believe in. The word of God alone can.

Reflections deepen understanding. Reflect seriously as you study. The power in reflections/meditations depends on your concentration. It is not the time spent

on but the timing and the revelation received from the word of God that matters.

Revelations are not impressions, what come to your mind as you reflect. Revelations come with power. So you should be able to differentiate between impressions and revelations.

When you use your mind on the Holy Scripture to understand it, you have closed the door to the Holy Spirit. It is not good to be thinking of other things as you are reflecting on the word of God. Be careful to make sure that your daily reflections are not shorter than what they should be. And do not cross the limit the Spirit has set for you too. He knows the best amount of everything for your soul.

• • •

Admission into the family of God requires silence most times for the Spirit to operate. Silence here does not end at being quiet when God speaks. It also means a recollected life; not having too many things one thinks of, but always concentrating on God. You who fail to achieve silence will receive nothing from the Lord. Retain your mind in Him. It is the easiest way to hear from Him.

God made the heavens. He made everything. He made you. He knows you. He uses you. Be His own. Be separated from all evils. Be still to the glory of your Father in heaven. Being still means keeping silent and listening for the Lord to speak. He is your Lord, forever your Lord. Learn this now and forever. He hates evil.

God created everything. He knows everything including your mind and heart desires. Your heart could be on Him but He desires a steady glow. That will make you perfect. So avoid all manner of distractions. Meditate, contemplate but avoid unguided thoughts. Have your mind always on God for by that your life will be multiplied. He is life itself. There is nothing you can get from Him except life. The more you desire and seek, the more you get.

• • •

When you reflect, it stirs up the Spirit of grace, the gifts of the Spirit. And pouring out of the spirit of evil; emptying the evils in you, starts with a good reflection. So if you want to cross a river, if you want to be out of a particular trouble, reflect all the time. If you become dull in reflecting, your enemies or evil forces can easily

have power over you. Meditate always even when you are working. The Holy Spirit is there with you.

6. THE POWER OF HIS MERCY

"Therefore know that the Lord your God, He is God, the faithful God who keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments" (Deuteronomy 7:9).

Evils in men are more than men in an area. The Spirit of God clears all evils and fills man with the grace to witness God, to be in His presence. The sacrament of reconciliation is solely instituted for reconciling the wayward man to God.

Your mind goes astray most often. But the Spirit of God is always there watching and recording all things. None of the evils recorded by His Spirit can be erased except through the sacrament of reconciliation. The power in the blood of Jesus is your life. Without it you are dead. Jesus died that we all might live.

Living does not mean breathing, for even fishes can breathe. Living means that your God is alive in you. Living means that your life is not characterized by troubles because the Living God has made His home in you.

When God who dwells in your heart becomes active in your life, it is then you can claim you are alive in the land of the living. Living without Jesus is death. Your death ceases when Jesus is alive in your life.

Souls must always strive that Jesus may be alive in them. Life in you magnifies only when you are constant and stable in His presence. Do not waiver. That destroys the graces you have acquired from Him through His mercy. His mercy is your life. God is merciful and full of love. Imitate Him that your joy will have no end, for that will make you undetachable from Him.

When you are with God, what will you ever lack? Stay close to Him the way you have never done before. He desires to show you His wealth, most of which belong to you. He is your God. He loves you from the bottom of His heart. Be His own; be separated from all evils.

• • •

Draw a parallel with the life of Christ. Always do will of God. Forget the flesh, the human desires. There is life in none. Life is in the Spirit. Cleanse your spirit always. Be holy as your heavenly Father.

Holiness is the manifestation of God's beauty. You see why you must be holy always if your needs must be provided by your Father in heaven. Without the manifestation of God's beauty, you cannot witness beauty in your life. In other words the presence of the Lord your God in your life when it is active makes you beautiful, attractive. And you can't be attractive to others if there is nothing good about you.

Jesus is goodness itself. When He dwells in you, He attracts good things to you, even much more than you will ever desire. So desire His active presence always.

• • •

When you are with the Lord, there is no more trouble. Because the Lord your God is the God of peace. Peace means the absence of troubles, both physical and spiritual. Strive to have peace always. Your peace I have said is in the blood of Jesus.

Mercy is God's grace that keeps you away from all evils and their consequences. How can one then be seeking for mercy when the soul is adamant on destroying himself? God's mercy is good only when it is not abused or strained by any soul. The mercy of God

is your life. You have been granted everlasting life, Amen.

Mercy is life. As you immerse yourself in the blood of Jesus, the life in you increases. The more you do so, the more you are freed from all evils. It reaches a point where your salvation finally is guaranteed. But do not dwell on thinking about this moment. Only the Spirit should always know that except by grace it is granted to one to know too.

Mercy is not goodness. Mercy is life. Goodness is God's ability to provide all that you need. And only His Spirit who created you knows what you need. Because of this, human wants most times differ from what they really need. You see why you will forever be a fool if you continually don't have regard for the Spirit of God to guide you in all things.

God's goodness is your wealth both physically and spiritually. His goodness is your life too. Out of His goodness, He provided what you need most in life. He provided the perfect and eternal sacrifice for those who desire to live.

His goodness is filled with His very being---LOVE. God loves man so much from the bottom of His heart.

And because of this love for mankind, He sent His only begotten Son that whosoever believes in Him will not die but have an everlasting life. Imitate God. Love your God too. Do His will and have your everlasting life.

Nothing but stubbornness and foolishness kill men. Both make men blind to God's mercy, goodness and love, thereby plunging them into destruction. Be humble and be wise. The beginning of wisdom is the fear of the Lord. One who fears his Lord does what He says. Yahweh is your Lord and your God. Do His will so that you may have peace, everlasting peace to the glory of your Father in heaven, Amen.

Before and after the progress of the children of God, the mercy of God abides with them. The more the mercy of God is with the people, the more their progress will be. They will leap from success to success, joy to joy. But sin disrupts this process. When there is a steady progress in the life of a child of God, it means he is in a state of constant holiness.

God's mercy is His grace that sets one free from sins and their consequences. This stems from His goodness. And since everything about God is infinite, His

goodness is infinite. So after His mercy upon you, His goodness flows continuously and forever as far as you continue to be in a state of constant holiness.

You can explore those moments in the Holy Scriptures when sin disrupted the flow of God's goodness to his children, but on which God mercifully granted men the grace to reconcile with him, thereby resuming the flow of His goodness once again upon them. The mercy of the Lord is your hour of mercy. As you declare the Lord's mercy and goodness, His blessings are being poured out upon the people.

7. TRIALS AND YOUR VICTORIES

"Be strong and of good courage, do not fear nor be afraid of them; for the Lord your God, he is the One who goes with you. He will not leave you nor forsake you" (Deuteronomy 31:6).

Trials can boost one's spiritual state only if one allows God to work properly in his life. God is always present in each individual's life. And He ministers to one's heart and soul once the life of the person is being threatened. Hence many remember God when they are in trouble.

Some pursue this new drive with sincerity and determination. Some others give in a weak effort to heed the will of God. While many still discard this grace from God, which is part of the amazing grace that is in the blood of Jesus.

People should stop rejecting life. Those who grab the opportunities when troubles hit them, always come out of them triumphantly. There is nothing the power in the blood of Jesus cannot do.

And when you are out of trouble, be steady and stable in the presence of God so that your blessings will receive the light of Christ. The light of Christ is your life. Without Christ shinning steadily in your life, you are dead; you have even more troubles coming your way. Be stable and steady in doing the will of God and the Lord among other blessings of His shall keep you out of all troubles to the glory of His holy name.

• • •

Power-must- change- hands is madness. God gives you power and He takes them! You can't determine on your own to appropriate any power. His will must be done. Do His will and He will bless you according to His riches in glory in Christ Jesus, in and through Him everything was made including the power you desire. Just be His; a faithful servant, and He will bless you. He gives to each a measure of His power according to the strength of his faith in Him.

Let the world believe in the living God alone. And He will pour His glory upon the earth. For His glory that fills the earth are not available to man as He desired because of their sins. Repent and acquire the power you desire. God's power is your power. His glory is your

glory. He made them for you. If not you would be in wretched condition forever.

• • •

"He raises the poor from the dust and lifts the beggar from the ash heap, to set them among princes and make them inherit the throne of glory. For the pillars of the earth are the Lord's and He has set the world upon them" (1 Samuel 2:8)

Poverty is bad in people's lives. God did not create poverty. He created all wealth. But because of your recalcitrance, you end up suffering. Men are grossly evil that even in wretched poverty they are busy seeking the presence of the devil in their daily lives.

Know what your real problem is. There is nothing God created that is bad. Poverty is bad! Go to Jesus with your poverty, be constant in His presence and He will give you wealth. For no one who left everything else for the sake of His holy name will end up not being rewarded. He will gain those things hundred times, then gain eternal life.

Those who live in poverty from year to year must know that they are not in the presence of God. The Lord is not

wicked as to not uplift His children. He created all wealth. Why should His children suffer or lack? Repent from your evil ways and receive the wealth, the life you need.

• • •

God's blessings are forever. His mercy is forever on those who fear Him. Without his mercy working in your life, your blessings will fail to blossom. In Him is everything made perfect. Desire Jesus always. Seek Jesus. Do and delight in His laws always that joy will fill your daily life. When you are not in the presence of God, your blessings mostly remain dormant, because they have not been impacted upon. And you can have your blessings impacted upon only on one condition; that the Holy Spirit who dwells in you is constantly active. Else a man blessed by God with even great wealth may end up dying a wretched man. Strive to have the Spirit of God constantly active in your life. Do the will of God always and His peace will forever be with you.

Be stable and steady in the presence of God. When you do your own will; as you like, you are like those cooking their food with very dirty water. What will that food be like? What is the world today like? Is the world

you are living in the same world that God created? Use your senses; be wise in all you do so that the peace of Christ may abide with you.

• • •

God always equips His special envoys quite far above others. This does not mean that they are better favored because His grace is with them to the extent that those blessings go mostly to others. But as others are enriched, the blessings of the special envoys are even more multiplied.

As a special envoy, you should think of the good of others, both spiritually and physically, for that is what it means to love God; do onto others as you would like them to do to you. Relate to other always with the love of God in your heart. Your heart has been enlarged because the love of God has blossomed in it. And this love of God will never fade to the glory of your Father in heaven. Think of nothing but of giving God glory. Giving God glory, I have said, is doing His will. And remember you can't please Him without faith in His very word.

• • •

God picks those whom He chooses. He chooses mostly those who are nothing in the eyes of men to show His almighty power to the world. The world should know that life depends entirely on God.

Those who feed well, who think they have riches and therefore have no need to worship the Lord are fools. Those riches can vanish in a moment if God chooses.

Those who are poor should not worship God in order to get rich. The Lord has already endowed everybody with His blessings. One of the benefits of worshiping God is that while in his presence His Spirit sparks off your gifts; His Spirit places you in a place, the right place you should be. Worship God for whom He is. He is God the Creator of all things, the Giver of life.

• • •

Don't bother yourself thinking about tomorrow, your future. What God wills for you shall come to pass. Just be perfect. Walk in His presence. Think always of His second coming. You will be more prepared to carry out His will for you. His will, I have said, is Himself for you. Do His will and you will be with Him.

The Almighty God is your Lord. Worship Him in everything you do. Worship does not take place only in the church, but everywhere, in carrying out His will for you. His will is simple when you rely and focus on Him, for all powers belong to Him. Whatever you lack you obtain from Him. He is indispensable in your life, no matter how little what you want to achieve. All powers belong to Him. He gives to each a measure of His power according to his faith.

Your faith in Jesus determines your well-being. I mean active faith; faith backed up by action. Action that buttresses what you believe in. In Him is everything. For in and through Him were everything made. Whatever you lack He has.

You have been given the key to life---complete reliance on Jesus. Nothing else can make you happy. Nothing else can save you except Him, Yahweh. He is goodness itself. He is love itself. He is mercy itself. Just approach Him every moment and your joy will have no end. I have told you He loves you from the bottom of His heart. Just be His and He will be your God.

Practise divine wisdom; do whatever God says. In them is your life. Life without God is void. So be careful that your life will not be filled with difficulties----

difficulties in the sense that God will be distant when you need him most.

Wisdom lies in God's counsel. You can only be saved when you do His will. His will is goodness. His will is love. His will is mercy. His will is kindness. His will is faithfulness. His will is justice.

God maintains justice throughout the earth. Let not evil and men who do them border you. Just concentrate on worshiping God. He sees those evil men. He deals with them at His own time. There is nothing which they do that will affect you. No weapon fashioned against you shall ever prosper. God made the smith and his weapons. He made the destroyer too. Just be calm and be steady in His presence. That's all He needs from you to make His will come to pass in your life. His will is your life. Nothing else is.

God made the heaven and earth for His on good pleasure. What He wills must surely come to pass. This is why you will never lack anything spiritually and physically to the glory of His holy name.

God's glory is your glory. Give Him glory and your glory will have no bounds. Giving God glory does not consist in boasting but in doing His will. His will is

simple as I have said if you rely on His powers. And His powers are your powers according to your faith in Him. Believe in Him alone and nobody else. Carry out His will for you and your peace will have no end.

God created everything. He knows everything including your mind and heart's desires. Your heart might be on Him, but He desires a steady glow. That will make you perfect. So avoid all manners of distractions. Meditate, contemplate but avoid unguided thoughts.

Have your mind always on God the Father for by that your life will be multiplied. He is life itself. There is nothing you can get from Him except life. The more you desire and seek, the more you get. His peace be with you.

• • •

God made everything including the drugs you take. So when you are sick, do not hesitate to take drugs. Do not wait till your condition gets bad. Act immediately. It is your duty as a child of God to take care of the life which God has given you.

In the drugs you take is the power of God, without which the drugs cannot work. So as you take drugs, have faith in the power of God in them which heals. Do not have faith on the physician, his expertise and other similar ideas that you come about by your human senses and imagination. Remember, you worship God in everything including the taking of drugs when you are sick.

For those who fail to take drugs when they are sick, believing in the power of prayer alone and having disregard to drugs, God is not pleased with their actions. Faith in Him also means that you believe Him when He says that He has given you herbs for the healing of your diseases. Faith in God must not be selective. You must believe all He tells you. Without that you can't please Him much.

Those who refuse to take drugs and depend on prayers alone are in fact sinning against God for not having regard for His words concerning the herbs which He has given for our healing. This most times make their prayers ineffective. Only the few who have faith in God's healing powers in the drugs but who all the same preferred their healing coming through prayers that get healed easily. Be healed of all your diseases to the glory

of His holy name, Amen. Jesus is your Healer. He heals both the body and the spirit.

Healing is the work of the Spirit and not men who are only tools in the hands of God. The knowledge such instruments have concerning the drugs they minister doesn't come from their education but from the powers God allowed them. Without such powers, they won't know there is anything like drugs. The same way fowls cannot build cars. Again without the powers God allowed man, there won't be anything like the human education, the same way rocks don't learn anything. So, the power God has given man must not be abused in any way.

If you do not have the capability of making any kind of drug, do not engage yourself in such ventures. Stand in God's presence so that He will show you what powers He has blessed you with. There is no man on earth that is not well blessed by God. Your problem is that you do not seek His face.

Most times, when out of His mercy you find yourself doing something good, you would think it is because you are wise. Human wisdom cannot endow you with gifts. The Spirit alone does so.

God never created anything substandard or fake. The gifts God has given you are not fake or substandard. So stop spiting Him with the gifts He blessed you with, not only in the making of drugs, but in everything you do.

For those whose minds are constantly on God, those who have faith on His words, those whose actions, including the taking of drugs are determined by His word and not by human mind, there shall be life. They shall recover even when they unknowingly take fake drugs. His peace be with all nations, Amen.

8. MINISTERIAL PRIESTHOOD

"The Lord has sworn and will not relent; you are a priest forever according to the order of Melchizedek" (Psalm 110:4)

Foretell your will to them o Lord that they will proclaim your mind to the people.

"The Spirit of the Lord God is upon me, because the Lord has anointed me to preach good tidings to the poor. He has sent me to heal the broken hearted, to proclaim liberty to the captives and opening of prison to those who are bound; to proclaim the acceptable year of the Lord and a day of vengeance of our God; to comfort all who mourn, to console those who mourn in Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness, that they may be called trees of righteousness, the planting of the Lord, that He may be glorified" (Isaiah 61:1-3).

Servant of God, you have been called to save humanity, to let the people go from satanic bondages; from all forms of perversions of the word of God. The Holy Spirit dwells in you. He uses you. Just be His instrument. Saving souls is the task of the Holy Spirit.

That's why you must be His instrument. Humble yourself in line with His will for you and He will make you a perfect instrument.

You are hope to the body of Christ. You are hope also to the giants that God conquered. Jesus is the hope of all nations. He dwells in you. He uses you.

• • •

Your call is as important as your life. Humanity loves evil but God loves good. So as He calls you, your life automatically is being renewed. This becomes necessary because of the number of souls God will be using you to save. So your call becomes even more important than your own life. Because several lives will be saved through you, by using you as an instrument.

However, God does not place your call above your life. He treats both equally. Now you see why you must take your call serious more than you have ever taken it. Your life is saved in the process of answering the call faithfully. In fact, there is no how one can be saved except he answers his call faithfully.

There is no way one can impact on the lives of others if he has not impacted on his own life first. The word you

have been called to preach renews you first before others. For without renewing you, the Spirit will not be active in you. And if the Spirit is not active in you, your preaching cannot go out with the Spirit of God despite the level of your anointing.

• • •

The priests are God's children just like any other children of God. They are called to serve God in a way quite different from the so many other ways others are called to serve. However the common factor here is the fact that everyone has been called to serve God. Their effectiveness depends on the Spirit of God and not any human learning, just as the effectiveness of any other being in serving God depends on the Holy Spirit and no other being.

However, one must not be worried when he encounters a bad priest. Do not even judge him. God is the only Judge. Rather pray for him. Your Father in heaven will hear you and turn him around. God has given all His children the ministry of reconciliation.

When you encounter a bad priest, do not be troubled. Your mind, your heart should always be on God. He is always there for those who desire and seek Him from

the bottom of their hearts irrespective of how evil the men around them are. All powers belong to God. Have a strong believe that nobody has power over you except Him, Yahweh your God, the only Living God.

For those priests who do not have the Holy Spirit active in them, do not bother about the effectiveness of the functions they carry out. Only put your trust, faith and hope in God. And he will still make their actions effective in your life. Yahweh is the Lord. He can do all things.

The attack of the devil is very high especially on the priests because of the role they play in the salvation of souls. Always pray for one another, even more for the priests.

• • •

God sends out His priests on missions. He solely determines where they should go, what they should do there and even when to call them back. Therefore the postings of His priests must be done not by considering human factors but in obedience to the will of God, to the directions given by the Holy Spirit. People entrusted with their postings must be in God's presence always for Him to use them. They must seek His direction as

they are getting set for the postings. They must seek His wise counsel as they are drawing the list for the postings. They must seek His approval of the list before they publish it.

The priests too being posted must seek God's blessings before they leave for their new places of posting. And when they get there they must seek Him to open their understanding on why exactly the Spirit has decided to send them and not other priests, why the Spirit has sent them there and not to other places.

God affects the life of His children greatly through His priests. But the priest who doesn't seek His direction, approval and impactation in even the most commonest thing he does every day of his life cannot be an effective tool in the hands of the Lord your God. God is wholly holy, completely and entirely holy. He does not entertain any form of unholiness. Priests can as well be evil in His sight, for anything that goes against His will even though it may be good, is evil. It is not everything good that is pleasing to God. Therefore be warned!

• • •

Rely on God's words for anything you do. Do not depend on hearsay or false teachings. Verify every

teaching you heard in His name. He is the way. He shows you the way. Depend on His words alone. His word is Him for you. It is eternal. It is alive.

Be careful that you do not go against it in your preaching, because He will frown at such actions. Be sure of what you are preaching. Study His word the way you have never done. He will always be there to explain any hidden Truth. He is the Truth. He knows everything. He created everything. The knowledge He shall give you, no one will be able to give you. Therefore rely on Him. Know His words first before you read those other books. The gospel is the power of God to salvation.

• • •

Seek God's approval. Seeking His approval means surrendering authorship to him. He is the Originator of all things. When you see yourself as His instrument, His Spirit will make you a perfect one. The Spirit must not only teach you. He should also guide your actions. That makes you a perfect instrument. Seek His guidance and impartation always no matter how little what you want to do is. Most of the knowledge you will be getting will be by the special grace of God. They are meant to give you eternal life which is the knowledge of God and His

Son Jesus. With this knowledge you will be able to lead millions of souls into His kingdom. God has no one beside you. Be His perfect instrument. And He will be with you forever and make His words come to pass in your life.

The word of God is perfect and eternal. By it everything came to be, including your life. Be not afraid then for the Lord will be the glory in you. The world will see the glory He has given you and know that you are from Him. The Lord spreads His words by His powers. He wins souls by His powers. Just be the instrument He has made you. That is your own part. Be stable and steady for He is coming as He said. You shall reign with Him forever and ever, Amen.

Do not argue the word of God with anyone. He preaches His words through you. You are His instrument. He has made you a perfect one. Just be holy to let His words come to pass in your life.

In His name He created heaven and earth; He created all things to give Him glory. He uproots anything that does not give Him glory, to the glory of His holy name. Be careful that all your actions give Him glory. Because if any does not, He shall frown at it; He shall uproot it. Your God is the Lord. That is His name. He will never

share His glory with any one. Be His child and He will be your God.

• • •

Learn also to preach out of love. Talk about the evils in the people in a friendly way, not condemning anyone, but bringing up the bad people do in the light of the gospel. The gospel is the power of God to salvation, always remember.

Jesus was simple and humble, never confrontational, preaching and teaching with the love of God in His heart. Places in His teachings that appear confrontational were not so in delivery. They were filled with the love of God at the background. That way the power of God who is love will be more active in leading souls to repentance.

Remember also that repentance, conversion and salvation is your purpose. Your purpose is not to confront anyone. Mostly you confront, even in the most violent form, the evils in the people and/or the society, spiritually. So preach with the love of God in your heart. Do not force anyone to receive Christ.

Your purpose too is not to reveal to laymen what they have never heard of, what the Spirit revealed to you. The revelations you receive come to you still out of the continuing God's love for man. God exposes the evil around you to expose the mystery of life and not to make you arrogant or self-willed. His will for you is to preach the gospel and nothing more. So the love of God must determine when, where and how you utilize these revelations for the purpose of your calling, namely: repentance, conversion and salvation of souls.

• • •

Rebuke when God uses you and not when you feel like. The Lord uses you mostly when your mind is not on the person or issue. The Lord uses you when your rebuke is not violent; when it is filled with the love of God, with the hope that the sinner will one day be saved. This should be a sign to you as to when the Lord rebukes through you. You rebuke violently or castigate when you forget totally the purpose of your calling. Do not forget this. Always remember why the Lord has called you.

You must be trained by the Lord. The Lord God Almighty trains His children. They hear His voice. They do His will. Do the will of your God always and

forever. Bring all souls to Jesus that He may cleanse them and not lose any. He loves all souls. Give hope to all people when you speak to them in the name of the Lord Jesus.

Do not send those who come to you to be blessed away. Preach the word of God to them, teach them what they lack. Then bless them to the glory of God's holy name. By this you must have renewed their lives. Every moment which God presents to you must be used to proclaim his love for all humanity. The Lord has appointed you His MC in all His healing encounters. End-of-time mission started since the time of John the Baptist. Yours is the last-days-of-salvation mission. Always make this clear.

• • •

Always proclaim the goodness of the Lord to you to all people. He is simple, plain and full of love. He does not hide anything he does. It is satanic to hide even in parts the goodness of the Lord to you. Glorify your Lord. Do His will for that is what it means to give Him glory. Part of His will for humanity is that you always proclaim His goodness to you.

Note however that the power in the blood of Jesus is what you celebrate and not what the power in the blood of Jesus has brought about for you. Those are good but not needed for the next life. But the power in the blood of Jesus is your life forever and ever, amen.

Testimonies are good only when they do not take the people's mind off the gospel. So be mindful of your testimonies. The Lord will frown at them if they take the people's attention away from Him. Remember you are to bring the people out of idol worshiping and not lead them more and more into it. Making people's mind to be on the wealth which God has given you is evil in the sight of God. Make their minds to be on Him as He has instructed you. Do not make them to worship God because of what they would get from Him. That would be idol worshiping. Because their concerns, as you know very well, is what they will get from Him. Again avoid stories that may look light fairy-tales. God may have given you revelations on the devil, the evil spirits and occult kingdoms. But they are only good for the books. Preach the gospel alone, pure gospel, for that alone is the power of God to salvation to those who believe.

There are avenues to testify that will not hamper the work of the gospel you do. You can still testify on

occasions when you are not really out to preach the gospel like Tv programs, interviews, feast days etc. So while preaching, concentrate solely on the gospel except where it becomes expedient that you chip in an element of God's blessings on you. But that must be done in a way that people's attention will not be shifted from the gospel you preach.

9. THE OPERATIONS OF SATAN

"How you are fallen from heaven, o Lucifer, son of the morning! How you are cut down to the ground, you who weakened the nations!" (Isaiah 14:12)

The Fallen Angels are those you call the evil spirits or demons. God endowed them with various kinds of powers for different operations. That's why they manifest various kinds of powers on this earth. On earth, their powers are mostly dangerous. Because they were not meant to be exercised on this earth. It is like overloading a container. So once they act or react, their impact are heavily felt. But as I have said, those powers have been destroyed by the blood which Jesus shed on the cross. So, one who wants to be free from their effects must be fully covered by the blood of Jesus. In it is your peace. And you can only harness this peace by doing the will of God and nothing else. His will for everyone is the terms of the New Testament which Jesus Christ our Lord enunciated while He was on earth.

The Fallen Angels on earth are quite harzadous. They shall always be harzadous to all humans except those who enjoy the peace of the Lord. They are terrible

forces used even in creation. For when He said, "Let us make" or "Let there be" (Gen 1:3, 26. Also see Job 38:4-7), they and other angels swung into action.

Now you can imagine what machines they are and what horrible systems they can make when teamed up. God granted them the gifts, the liberty to call to being things which have not taken shape, the very shape they now desire. But this does not mean they can create anything. No! God created everything by Himself alone. Rather what they do is akin to what humans do when they for instance mix cement, sand and water. To do this means that God allowed men the powers to do so. If not for the powers God allowed man, you won't know there is anything like cement, sand and water. Also, you won't know what they could be used for.

So imagine the evil spirits having power to mix two, three or more elements together----elements that are spiritual and not physical. Imagine what they can do. As men build mansions with water, sand, cement, etc, so do the dark angels build mansions with spiritual elements as you must have seen in visions. As men build bulldozers or airplanes so do they build similar things, though with different elements. Physical elements in the former and spiritual elements in the latter. For the fact that humans do not have the gifts or

powers to see and acknowledge things that are spiritual, they won't be able to see these things around them. Except those like you with certain spiritual gifts that allow for the seeing of all these spiritual phenomena. People like you are spies and are hated with passion by the evil spirits. That's why you receive tremendous spiritual attacks. However, the attacks can never get through because the blood of Jesus covers you. In fact, for the gifts to be operational in your life, the Holy Spirit must be active in your life. And for the Holy Spirit to be active means that you are already covered by the blood of Jesus.

The devil exercises control over all these demons. He's their lord. As I said, the power God allowed the devil is quite very overwhelming when compared to the powers God allowed those angels. The devil exercises control over them by lording it over them. The men and women who follow them do not always need blood, human blood, to be followers. In other words, they need not shed their fellow beings' blood as it's most times perceived. Rather, all carry out the will of the devil in all areas of their lives. The inner spirit they received from Satan becomes a monitoring agent as well as a contact mechanism to perpetuate evil. At times these men and women would be pushed by the inner spirits in them towards carrying out all forms of evil acts.

As I have noted, there is only one Spirit. And that is the Lord God Almighty. Every other beings you call spirits are only enjoying the essence of His being. And they cease to be spirits when God choose to. So the inner spirits like I have said earlier come about by the action of the devil in mixing certain elements together. They are called spirits because they are invisible. Their lives are dependent on the action of satan. By life I mean not as living beings but as something that exists. The devil I said was very proactive among the angels then. He was granted the power to effect the inner spirit even in all the angels. So he was able to pull them into action, on God's orders of course. But this inner spirit is subjected under the will. By this, each is responsible for all his actions. The devil still controls the actions of the evil spirits by the use of the inner spirit. And any of them that tries to establish his will gets his wrath instantly. So they hardly rebel against Satan.

Satan deceives the dark angels too the way he deceives the whole world. His intelligence is very high that no being realizes the end from the beginning. And the beginning he makes very appealing that once you have embarked on the action, he sustains every other thing with his power, God's own power, a gift which he abuses. Men abuse God's powers too the way Satan

abuses God's powers. So hell fire awaits all of them---- the devil, the evil spirits and the evil men that serve them.

Serve only your God, everywhere, in everything and all the time. You serve the devil whenever you consider any other thing beside the will of God for you, for mankind. Mankind is precious to Him, that's why He sent His only begotten Son who died that you may have life. He died for one reason: to destroy the powers of the devil; to save you from all evils.

The devil causes all evils by the power he exercises over the rebellious men and angels. Without him rebelling first, no being could have rebelled against the Almighty God. But because of the will which the Lord allowed men and which has power over the inner spirits for those who are initiated into the kingdom of Satan or the mere deception of the devil for all souls, every man is held responsible for his actions. Act in accordance with the will of God for you and be free from the activities of the devil, evil spirits and evil men. The peace of Christ be with all nations, Amen.

10. OPPRESSION AND JUSTICE

"He will bring justice to the poor of the people. He will save the children of the needy, and will break in pieces the oppressor" (Psalm 72:4).

You oppress others when you are not loving, caring and kind. And these are divine principles which must not be contradicted if one who wants to live should live. Life is not what you made it but what God made it to be that it should be. Any arrogation of authority by man, contrary to the will of God brings suffering upon humanity.

God made the laws. He carries out justice. Justice is never what you practise! Justice is hinged in the love of God. God loves all humanity totally without reservation. That's why the earth still exists till today. If not, the human race would have been wiped out. They are grossly evil. Anything that opposes Yahweh is evil. Anything that negates His will is evil. You can as well be evil even before Him as His servant. Only that the sacrament of reconciliation cleanses you always.

People should learn the mystery of reconciliation, for in it lies their survival---both temporal and eternal.

Yahweh is the eternal God. Everything about Him is eternal, including the hour of mercy. Every moment you approach Him with a contrite spirit, you are filled with His mercy. His mercy is infinite. It has no end. It contains every soul adequately. So no soul should perish at all if they love themselves.

God created man to love Him and man, including themselves. It is sin in itself not to care for the well-being of your soul as the laws of God stipulated. Caring for your soul; caring for one another, simply means relating with man with the love of God in your heart. The same applies to love and kindness.

Yahweh is kind even to those who abuse Him most; those who anger Him most. Learn to be loving, caring and kind, for in them is your life. Preach the love of God for humanity to all men, irrespective of their religion and inclinations. God will be there to touch their hearts. His Spirit will go forth with your words to fill them with the grace for repentance. By His Spirit too, they will be converted and saved.

Our salvation has made the love of God explicitly known. For in it God has exposed to humanity what it means to love so that they may learn. But man is adamant, full of self-knowledge and pride. But your

knowledge should be the understanding of divine principles and not the futile learning. You pride should be in doing His will and not in negating it.

One who negates the will of God negates life. And life as the Lord has said consists in the Spirit. God is Spirit. In Him is the life of all flesh. He created all humanity. He knows every being. He loves every being. But His love is unrequited. Why? Humanity loves self, more than God. But what is that self? Sand! What a choice?

Be wise in the choices you make every day of your life. Rely on the power of the Holy Spirit for everything you do, even the least of them. Because the Holy Spirit alone knows all things. He knows what is good for you and guides you towards achieving, obtaining them. The Holy Spirit simultaneously guards you against all evils.

Evil does not only consist in crimes and all those things the human law guard against. Evil is the very nature of falsity. And anything that is against the will of God is false. So even as men claim they administer justice in the law courts, they themselves will perish if they do not repent from the abuse of the word of God.

God's words are meant to last forever, because He is eternal. And they are meant to guide all those who

believe in Him. You have been called as a priest to guide all those who may believe. You are a pillar of fire that will guide them into God's kingdom. Be God's instrument and He will make you a perfect one. You have not been called to amend the human situations that are deplorable. You have been called to uproot all evils including the human justice system.

Justice must be derived from divine principles. Justice must embody God's will in its entirety. For God does not regard the partial keeping of His commandments. So uproot all the trees that He has not planted even as it's being practised outside the church.

God created all things. He is the Lord of Heaven and Earth. He makes all laws. Human beings can only interpret them. The interpretation of God's laws and their administrations do not depend on how learned one is. One only needs to be in His presence in order to carry out such duty on behalf of the Lord your God.

Yahweh is the Lord. That is His name. He does not share His glory with anyone or His honour with any idol. In all the earth, He is the Lord, and not only in the churches. Do His will; keep the earth holy and He will be with you and manifest Himself in everything you do.

He approves of anything you do. He midwives anything you do. He makes everything you do a success. What He has asked you to do is only to keep His will. For by so doing He will be committed in your life, so much committed that your little human mind will never comprehend, except the Spirit explains His operations in your life to you. You are the Lord's witness.

Bear witness to God's love even in the law courts. There is nothing God cannot do if you rely on Him. And He has told us to rely on Him solely. Whatever you lack, He has. Whatever you need, you obtain from Him. That's why you need your faith to go before you always in all things. Do not keep your actions abreast with your faith. Your faith should be the horse that pulls the cart of your actions.

Good actions do not translate to good results. For the result of your actions to be good, the Spirit must sanction, approve of the good actions in the first place. For it is not everything that is good that is pleasing to the Lord your God. Your God has different taste for any kind of good work at different times. And this can only be determined by the Holy Spirit.

The Holy Spirit is your life in all things. Be humble to understand Him. Be patient to see Him manifest in your

life. Be obedient to sustain His active presence. The active presence of the Holy Spirit in your life means miracles. A miracle does not consist only in turning water into wine. Miracles are those things that human senses cannot comprehend how they came about. The Lord is about to do something new in your life. Just be stable and steady. His peace be with you.

• • •

In human relations, laws are meant to guide man to establish the will of the Father in their lives. So study every situation in human life critically and see how they conform or deviate from the will of God. Uproot all such deviations. Establish the will of God. You have been blessed to carry out these operations. Commit every bit of your activities in any area of your life, into the hands of the Holy Spirit, in order to lead and guide you. Be guided by the Holy Spirit. The peace of Christ be with you forever, amen.

Justice consists in God's counsel. Equity and fair play are in love and manifest through love. So justice can never be achieved through the human justice system. The Lord has made you a judge over the whole human race. Establish His will in all areas. For that is what justice constitutes of. Write, teach and preach

absolutely about His laws and His peace will forever be with you. Expose the foolishness in human senses and imagination. Teach the world the wisdom, the life in God's will. He has made you a teacher. For His Spirit in you teaches all humanity through you.

All teachings must begin and end with the truth. Anything outside this is false, evil, and serves only to destroy souls. Be the light for all souls on the path of destruction. Lead them into the kingdom of God the Father. His grace is enough for you, for He is with you. He will be with you till the end of time.

Holy, holy, holy is your Lord and Saviour Jesus Christ. His glory fills the whole earth. His glory fills all human systems including the justice system. His glory throws up all evils, false practices in the human justice system. Divine justice warrants that you know all these things. So rely firmly on the Spirit. Nothing again shall you learn from fellow human beings. The Spirit teaches you all that are necessary for you to know. And be satisfied with the knowledge you have at any point in time.

Concentrate only on worshiping the Lord your God. Worship is the only thing you owe Him for His will to come to pass in your life. Your life is precious to Him. So be meticulous in doing His will. God's love and

mercy are upon you already. Love your Lord. Love Him always in all things, no matter how little a thing may be. Consider your God and no other thing. For by so doing, you will reach perfection in love.

God loves you so much from the bottom of His heart. Manifest His love to the whole world in all your ways. He is always with you. He will forever help you. May His peace be with you. God's time for peace is eternal. Jesus has shed His blood that you may have peace. Your peace is in His blood forever and ever, Amen.
